4. Policy Renewal (Middle School and High School)
  - a. Freedom of Expression Policy. It is best practice for this policy to be reviewed and approved annually. IVA last reviewed and approved the policy May 4, 2016.
  - b. Homeless Education Policy and Certification. The McKinney-Vento Homeless Act (MVHA) was passed by Congress to ensure that each homeless student has equal access to the same free, appropriate public education as other students. While many fed laws are tied to a specific local education agency's (LEA) receipt of federal funds, the MVHA requires the State to ensure that all LEAs in CA have certain policies in place in accordance with the MVHA, without regard to whether LEA receives these funds. The CDE monitors compliance with these rules. Thus, all charter schools should adopt a homeless student education policy, regardless of whether the CS receives MVHA funds. IVA does not receive MVHA funds. This policy is approved annually. IVA last approved the Homeless Education policy in June 2016.

5. Protection of Prayer Certification (Middle School and High School)

6. General Assurances as part of Consolidated Application (Middle School and High School)
  - a. The General Assurances and Certifications are requirements of applicants and grantees as a condition of receiving funds. Applicants do not need to sign and return the general assurances and certification with the application; instead, they must download them and keep them on file to be available for compliance reviews, complaint investigations, or audits.
